### High School Awards & Accomplishments

**2004/2005:** Starter on Winters Mill High School Varsity lacrosse, soccer and basketball teams as a freshman. Our basketball team went to states and lost by one point. As a freshman I was Second Team All-County in the *Carroll County Times* and *The Baltimore Sun* as well as All Conference in basketball. I was also the WTTR Player of the Week. My team was County Champions, Regional Champions, and State Semi-finalists. I have led my team in assists. I was also a Second Team All-County and Conference lacrosse player. I led that team in assists and currently hold the record for the most assists in a game.

**2005/2006:** I was a Second Team All-County and Conference pick in Soccer this year. I have discontinued lacrosse to focus on basketball. I was again a Second Team All-Conference and County pick in *The Baltimore Sun* and the *Carroll County Times* for basketball. I again led the team in assists as well as the County. My team was County Champs.

**2006/2007:** I was the captain of the team this year. Sadly, in the first 2 minutes of the first high school game, I drove the lane, drug 2 defenders left and dished right to my post player. She got a wide open look and I tore my ACL. That was December. I had surgery on Dec.21. Since then I have been rehabbing 7 days a week. Dr. Matz says he has never seen anyone come back as fast as Jordan Neville. I watch players who don't realize how lucky they are to be practicing or playing, girls who don't give 100% the whole time they are out there, and know I will never do that. I will never waste a precious minute on the basketball court. I will be stronger for this mentally and physically. I have been a 3 sport varsity athlete since freshman year. Sitting out has been the most difficult thing I have ever had to face. I was released from my injury June 11. Please take the time to watch me. I will play college basketball and I will make a difference. . Jordan Neville -----
